The MMM Group shall continue to implement the following methods and procedures by which transaction prices are determined. They are to help ensure that Recurrent RPTs are undertaken on terms not more favourable to the Related Party than those generally available to the public and are not detrimental to the minority shareholders:

- (a) the list of Related Parties will be circulated within the AMGB and all Related Parties will be notified that Recurrent RPTs are required to be undertaken with the Group on terms no less favourable than the usual terms offered to their favoured clients;
- (b) transaction prices and terms shall be at prevailing market rates as determined by market forces, demand and supply, quality of the products and services and other relevant factors. Where practical and feasible, quotations and tenders will be obtained from third parties to ascertain competitive transaction prices;
- (c) records shall be maintained by the Company to capture all Recurrent RPTs which are undertaken pursuant to the shareholders' mandate;
- (d) the annual internal audit plan shall incorporate a review of all Recurrent RPTs entered into pursuant to the shareholders' mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;
- (e) the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor Recurrent RPTs have been complied with; and
- (f) the Board and the Audit Committee shall be responsible for determining the review procedures and may delegate such functions relating thereto to individuals or committees within the Company as they deem appropriate. If a member of the Board or Audit Committee has an interest, as the case may be, he will abstain from any decision making by the Board or Audit Committee in respect of the said transaction.

The Company has engaged a professional property valuer to determine the best rental which the property would reasonably be expected to fetch if offered for rental in the open market between independent parties dealing at arm's length at the date of the valuation assuming the various factors were considered, which include a willing tenant; a reasonable period within which to negotiate the tenancy; values will remain static throughout the period of negotiation for the tenancy; the property will be freely exposed to the market; no account is taken of additional bid by a special tenant; the tenancy is for tenure with option to renew when the rental expires; and the usual terms and conditions of tenancy apply, i.e. the landlord is responsible for assessment, quit rent and structural repairs while the tenant bears the other outgoing.

There is no specific threshold for approval of the Recurrent RPTs within the MMM Group. All Recurrent RPTs are reviewed and authorised by personnel of at least senior managerial level, provided always that such personnel has no interest in the transaction and the said transaction has been approved pursuant to the shareholders' mandate obtained in the general meeting for the Recurrent RPTs.

3. AUDIT COMMITTEE STATEMENT

The Audit Committee has seen and reviewed the methods and procedures in Paragraph 2.6 above and is of the view that the said methods and procedures are sufficient to help ensure that the Recurrent RPTs will not be more favourable to the Related Parties than those generally available to the public and will not be detrimental to the minority shareholders of the Company. A member of the Audit Committee will abstain from participating in the Audit Committee's review of those Recurrent RPTs in which he/she has any interest.

In view of Datuk Chiu Tiang Chai being an interested party due to his indirect interest held via Mr. Tan Chia Hong @ Gan Chia Hong and his relationship being a father-in-law of Mr. Tan Chia Hong @ Gan Chia Hong, he abstained from participation in the Audit Committee's review of the Recurrent RPTs.

The MMM Group has in place adequate procedures and processes to monitor, track and identify Recurrent RPTs in a timely and orderly manner. The Audit Committee of MMM Group conducts the review of these procedures and processes on annual basis.

4. RATIONALE

The related party transactions envisaged in the Proposal are in the ordinary course of business of the MMM Group and of a recurring nature. The Proposal on an annual renewal basis will dispense with the necessity to convene General Meetings from time to time to seek shareholders' approval when potential recurrent transactions with Related Parties arise. This will result in substantial time and cost savings, without either compromising corporate objectives or affecting business opportunities available to the Group.

As DOOH advertising is a growing market globally and in Malaysia, MMM Group wishes to expand its business in this market. However, as DOOH advertising is a capital-intensive business which requires large amount of upfront capital investment on assets (i.e digital billboards), this is hindering the Group from growing the DOOH business.. Also, as the Group is still undergoing internal restructuring process, it prefers to conserve its cash flow for contingencies prior to obtaining the approval for the Regularisation Plan. The proposed related party transactions will allow the Group to generate additional income and cash flow without incurring any capital expenditure.

The related party transactions envisaged in the Proposal are in the ordinary course of business of the MMM Group and of a recurring nature. The Proposal on an annual renewal basis will dispense with the necessity to convene General Meetings from time to time to seek shareholders' approval when potential recurrent transactions with Related Parties arise. This will result in substantial time and cost savings, without either compromising corporate objectives or affecting business opportunities available to the Group.

The Recurrent RPTs, as outlined in Section 2.5 above, are made on arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company and which are not prejudicial to the interest of the shareholders.

The Recurrent RPTs are intended to meet the business requirements of the Group at the best possible terms as well as to explore other beneficial business opportunities. These transactions allow the Group to ensure it meets the operational needs of premises occupancies that are conducive to the Group to operate in and to meet its requirement as it expands the Group's business growth.

5. FINANCIAL EFFECTS

The Proposal will not have any effect on share capital and is not expected to have any material effect on NA and earnings of the MMM Group.

6. APPROVAL REQUIRED

The Proposal is subject to approval of the shareholders of the Company at the forthcoming AGM to be convened.

1. Directors' Responsibility Statement

This Circular has been seen and approved by the directors of the Company and they collectively and individually accept full responsibility for the accuracy of the information given and confirm that, after having made all reasonable enquiries and to the best of their knowledge and belief, there are no facts, the omission of which would make any statement herein misleading.

2. Material Litigation

- 1) KUALA LUMPUR HIGH COURT POST WINDING UP PETITION NO.: WA-28W-214-07/2021 | WA-28PW-308-06/2022 | WA-28PW-704-12/2022 | WA-28PW-165-04/2023

On 14 December 2017, Plisch Broadcast Asia Pacific Pte. Ltd. ("Plisch") filed a Writ of Summons and Statement of Claim in the Shah Alam High Court (Suit No. BA-22NCvC-729-12/2017) against Asia Media Sdn Bhd ("AMSB"), a wholly-owned subsidiary of ASIA MEDIA, in relation to outstanding sum owing for the supply, installation and commissioning of transmitter devices which AMSB purportedly has not paid to Plisch. AMSB filed for counter claim.

At the conclusion of the trial on 31 May 2019, the High Court issued the judgment order on 7 August 2019 on Plisch's claim and AMSB's counter claim. Both parties were dissatisfied with the Judgment. Subsequently, Plisch and AMSB filed Notices of Appeal at the Court of Appeal on 5 September 2019 against the entire Judgment (Appeal No. B-02(NCVC)(W)-1615-08/2019 and Appeal No. B-02(NCVC)(W)-1696-08/2019 respectively).

Plisch eventually proceeded to execute the Judgement dated 7 August 2019 by way of a Winding Up Petition No. WA-28NCC-219-02/2020 against AMSB.

On 9 April 2021, the Learned Judge granted a Winding-Up Order against AMSB with cost of RM5,000.00 to be paid from assets of AMSB. The Official Receiver was appointed as the Interim Liquidator of AMSB to call in the assets and to pay of AMSB's debts.

On 29 July 2021, ASIA MEDIA filed an application in the Kuala Lumpur High Court vide the Post Winding Up Petition No. WA-28W214-07/2021, in relation to the winding up case against its subsidiary Asia Media Sdn Bhd (in Liquidation) ("AMSB"), to appoint a Private Liquidator in place of the Official Receiver. The application was opposed by the Petitioner, Plisch Broadcast Asia Pacific Pte Ltd.

Subsequent to the case management on 10 February 2022, further case managements were held on 24 March 2022, 21 April 2022 and 26 May 2022.

Peakmax Sdn Bhd ("Peakman"), a purported creditor of AMSB, filed an application to intervene in the case. Since Peakmax's application is defective, the Insolvency Department at the case management on 26 May 2022 proposed that both Peakmax and ASIA MEDIA withdraw their respective applications with no order as to cost and with liberty to file afresh, of which ASIA MEDIA agreed.

On 28 June 2022, ASIA MEDIA filed a fresh application in the Kuala Lumpur High Court vide the Post Winding Up Petition No. WA28PW-308-06/2022 to appoint a Private Liquidator in place of the Official Receiver. The case was fixed for case management on 20 July 2022.
